BIBLE READING PLAN

Why Read the Bible?

The Bible is God's Word. It reveals God to us, shows us the way to be saved, brings us into greater experience of friendship with God, and is the primary means of grace in our spiritual formation. We cannot know God with clarity apart from reading the Bible.

These daily readings are designed to assist us in the regular reading of the Bible so that we might grow in our relationship with God and with one another.

Notice that every Sunday is set aside for reflection and make-up. Use this day to catch up on previous reading or take some time to meditate on what you have been reading throughout the week.

Practical Instructions:

Schedule a daily time and place. You must be intentional about spending time with God and reading His Word. What time do you need to get up in the morning to read the Bible? Where will you read so as to be free from distractions?

Pick a good Bible translation. We read and preach from the English Standard Version (ESV) on Sundays.

Read the Bible prayerfully. Pray for God's help to understand, enjoy, and apply what you read.

Look for Jesus. What does the passage you are reading say about Jesus and the good news of the gospel? Does the text anticipate or point to Christ? Does the truth in the text result from the work of Christ? Jesus is always the hero.

Apply what you read. Respond to God's Word in trust and obedience.

Read it with a friend. Join others in using this plan and share with them what God is showing you.

Don't give up. If you get behind, start again at the assigned reading for the day and move forward.
